

Leo Brunnick

CHIEF PRODUCT OFFICER

Chief Product Officer Leo Brunnick has more than 30 years of experience leading high-performing technology teams. He leads Cloudera's overall product and technology direction with an emphasis on customer success. Prior to Cloudera, he served as the Chief Operating Officer at Naviga, a software provider for content development in media, where he led a team of more than 600 product, marketing, engineering, and customer support professionals. Previously, Leo held several executive positions at Vignette—including Executive Vice President of Engineering, Chief Product Officer, and Chief Marketing Officer at Vignette—until its sale to OpenText in 2008. Leo served as an officer in the Marine Corps and received his bachelor's degree in general engineering from Harvard University. He also holds a Master of Business Administration degree from Georgia State University.
